

AD Series – 26” model

The AD26” model is in development and will be available later in 2006. What follows is an indicative specification that is subject to change.

Key Features

Playback formats:	MPEG 1, 2 & 4; Motion JPEG (avi); JPEG; MP3
Interfaces	USB memory stick for card updates
Optional Interfaces	Standalone media card display (standard); CATV (optional); VGA (optional)
Frame Type	Silvered rugged metal for POS and public area display. Can be customised for volume
Screen Type	500 nit, 1366 x 768 resolution, sacrificial acrylic cover
Speakers	2 x 5W

Enhanced Features

Multiple memory cards supported	Compact Flash card Microdrive Secure Digital Card (SD) Smart Media Card (SMC) Multimedia Card (MMC) Memory Stick (MS) Memory Stick Pro (MSP)
Styling	The AD Series has been designed with a rear panel, inset from the front profile. This enables a slim appearance to the front panel; allows power cables to be routed without being visible from the front and keeps buttons and connection sockets hidden.
Power Adaptor	Power adaptor can be internal or external. Choose what best suits mounting requirements
Unit Feet	Feet are designed to provide fitting and stability on shelf edges up to 20mm thick. Feet can be also be drilled and bolted to secure the unit to a surface. For other types of mounting, feet are removable if required.
JPEG display control	JPEG slideshow and JPEG music slideshow with ability to set transition effects, set transition speed and set JPEG interval time. JPEG images play as a smooth scroll with no transitional jump
Enhanced Features	Enhanced features include zoom; rotate; autoplay; repeat options; JPEG and video thumbnails; display file properties; select card if multiple memory cards present; autosensing video scaling (video scaled to screen size automatically)
Button Plate	Innovative feature which stops general access to unit controls, but allows user to access buttons using a slim stylus. The plate can also be removed if required.

AD Series 26” Specifications (specifications subject to change)

LCD size	26”	Dimensions (mm)	820x400x80
Resolution	1280 x 768	Weight (kgs)	17.0
